## Apply Now

**Making It Easy (MIE)** is the first company to provide one-stop professional services to meet the needs of expats working and operating businesses in Cambodia. MIE specializes in three key areas: **Language and culture**, **Business start-up**, and **Relocation support**. To learn more about the company, please visit our website at [www.makingiteasycambodia.com](http://www.makingiteasycambodia.com).

We are seeking a talented full-time **Digital Marketing Intern**. This internship is at least for six months. It is open for any nationality. Foreign national if preferred.

### Requirements:

- Fresh graduate in Business Communication, Mass Media Communication or Journalism.
- No work experience required but you must be, interested and talented in the field of digital marketing: Video making, design, photography, content writing and/or social media
- Professional computer, internet, email and social media skills are required
- Any nationality with excellent English proficiency
- Cross-cultural knowledge and knowledgeable about Cambodia is a plus
- Strong interpersonal skills and team spirit
- Honest and able to work independently with minimal supervision
- Passionate about working in a start-up business and about the field of digital marketing

### Brief Role Description:

- Shoot and edit videos and photos to promote the business in terms of Khmer language and culture, business start-up and legal support for expats in Cambodia
- Design leaflets, brochures, posters, banners and other marketing materials to promote the business
- Write stories; develop marketing contents related to the business to publish on the company's website and social media.

Monthly allowance is between **\$100-\$200**. Capacity building opportunities in related field are provided when available.

CV and letter of interest should be submitted via email ([info@makingiteasycambodia.com](mailto:info@makingiteasycambodia.com)) to **Kimsophat Kong (Mr.)** no later than **August 12, 2016**. Only shortlisted candidates will be contacted for a face-to-face or Skype interview. We offer an equal job and internship opportunity. Women are encouraged to apply.
